Preview: Friday April 2nd - Noon till 6 PM

Jim's Landscaping • 2822 Harrisburg Pike, Lancaster PA

## A New Beginning & Extraordinary Opportunity

After 46 years serving the Lancaster community, I'm stepping back from landscape installation and will devote my time to providing *landscape design*. It's been an incredible journey and I've enjoyed every season. I've worked for a lot of wonderful people in the Lancaster area and look forward to doing so in my new design role. I've partnered with a few trusted landscape contractors with whom I'll work closely to do the installation.

My collection of landscaping materials, garden tools and stone artifacts will all be on the auction block. I'm also taking this opportunity to downsize the stockpile of antiques, collectibles and vintage odds and ends I've gathered along my journey.

If you share my passion for historical items, I invite you to take advantage of this extraordinary opportunity and attend my public auction. The preview is on Friday April 2nd, noon to 6 PM. The auction will start Saturday morning, April 3rd @ 9 AM!

Sincere Regards,
