3. **Bidding.** The high bidder will be the Purchaser when the Auctioneer announces that the Property is sold. The high bidder shall immediately, or within two (2) business days after the public sale if the high bidder purchases telephonically and/or online, sign the Purchaser's Agreement in these Conditions of Sale and pay down ten percent (10%) of the purchase money as security for performance under these Conditions of Sale. The down payment shall be paid to Seller's attorneys Gibbel Kraybill & Hess LLP. If any dispute arises among bidders, the Property may be offered for renewal of bidding. The Seller reserves the right to reject bids.
4. **Settlement.** The balance of the purchase money shall be paid at settlement at a title company or law firm of the Purchaser's choice on or before Monday, June 24, 2024 (unless another time or place is agreed upon by the Seller and Purchaser).
  - a. Title. Upon such payment the Seller shall convey to the Purchaser, by Deed prepared at the Purchaser's expense, good and marketable title to the Property, free of all encumbrances not noted in these Conditions, but subject to building and use restrictions, ordinances, easements of roads, rights of public service companies, and easements, rights or other non-monetary encumbrances either of record or visible upon inspection.
  - b. Condition of Property. At settlement the Property shall be in substantially the same condition as at present, except for: (1) damage caused by act of nature, fire or vandalism, (2) damage that occurs after possession has been given to Purchaser, (3) any taking by eminent domain; and (4) ordinary wear and tear. Purchaser's opportunity to view or inspect the Property prior to or on the day of the public sale shall be in lieu of any subsequent view, inspection, or walk-through, and by signing the attached Purchaser's Agreement, Purchaser expressly waives the right to any such inspection or walk-through at any time after the execution of the Purchaser's

Agreement. The Property is sold AS IS and Seller makes no other warranty as to the condition of the Property. The Seller has no knowledge of any environmental hazard.

- c. **Insurance.** **NOTICE: This property is currently not insured. In order to protect Buyer's equitable interest under the Conditions of Sale, Buyer should insure the property as an equitable owner.**
  - d. Formal tender of Deed and purchase money are waived.
  - e. Realty Transfer Taxes shall be paid by Purchaser.
  - f. Real Estate Taxes and Utilities. Real estate taxes shall be apportioned to the date of settlement or any earlier delivery of possession on a fiscal year basis. Utilities, if any, will be transferred out of Seller's name as of the date of settlement.
  - g. Possession. Possession shall be given to the Purchaser at settlement.
  - h. Status of Water. Purchaser is advised that this residence obtains water from a well on the Property. Seller makes no representation or warranty as to the quality and/or quantity of any on-site or off-property source of water. These Conditions are expressly not conditioned upon the availability of water.
5. **On-Lot Well and Septic System:** Seller hereby represents that there is no public water and no public sewer for the Property. With respect to the sale of any lot for which there is no currently existing community sewage system available, Pennsylvania law requires that every contract for the sale of such lot contain the following notice:

**THERE IS NO CURRENTLY EXISTING COMMUNITY (PUBLIC) SEWAGE SYSTEM AVAILABLE FOR THE SUBJECT PROPERTY.** Section 7 of the Pennsylvania Sewage Facilities Act provides that no person shall install, construct, request bid proposals for construction, alter, repair or occupy any building or structure for which an individual sewage system is to be installed, without first obtaining a permit. Purchaser is advised by this notice that, before signing this Agreement, Purchaser should contact the local agent charged with administering the Act to determine the procedure and requirements for obtaining a permit for an individual sewage system. The local agency charged with administering the Act will be the municipality where the Property is located or that municipality working cooperatively with others.

By signing the attached Purchaser's Agreement, Purchaser acknowledges receipt of the above Notice and any additional information required to be provided to Purchaser under the Pennsylvania Sewage Facilities Act.

6. **Seller's Property Disclosure Statement.** By signing the attached Purchaser's Agreement, the Purchaser acknowledges receipt of the Seller's Property Disclosure Statement that is required by law. However, Seller makes no warranty as to the condition of the Property,

including without limitation any or all environmental matters. Purchaser acknowledges and agrees that the Property and all personal property and/or fixtures transferred hereunder shall be sold and conveyed "AS IS; WHERE IS" and with all faults, and Purchaser assumes the risk that adverse past, present, or future physical or operational characteristics and conditions may not have been revealed by its inspection or investigation.

7. **Agent Participation.** If the Purchaser engages a real estate agent in any capacity, the Purchaser shall be responsible for paying any and all fees or commissions charged by the agent, and Seller shall have no responsibility to compensate the agent, regardless of Seller's consent to agent participation.
8. **Default.**
  - a. If the Seller is unable to give title as required by these Conditions, the Purchaser's sole remedy shall be to: (1) take such title as Seller can give; or (2) require Seller to return all payments. Upon such return all further obligations of both Seller and Purchaser under these Conditions shall terminate.
  - b. The time for settlement is of the essence. If the Purchaser does not comply with these Conditions, the Seller, in addition to all remedies provided by law, may either: (1) retain Purchaser's down money as liquidated damages regardless of whether or on what terms the Property is resold; or (2) resell the Property at public or private sale, with or without notice to the present Purchaser or any sureties, and retain any advance in price, or hold the present Purchaser and any sureties liable for any loss resulting from such resale, meanwhile holding the down money as security for or toward payment of any such loss. In addition, Purchaser shall pay any and all attorney's fees and costs incurred by Seller arising from or relating to Purchaser's default.
9. **Entire Agreement.** These are all the conditions of this sale. The Conditions of Sale have been available for inspection before commencement of bidding. The Purchaser shall not rely on the public announcement of a summary of these Conditions as a complete statement of the terms and conditions of this sale. Any changes or additions to the Conditions of Sale shall be effective only if they are in a writing signed by the Seller.
10. **Parties.** The terms "Seller" and "Purchaser" include all who sign in those respective capacities.
11. **Binding Effect.** If more than one person signs as Purchaser, they shall have joint and several responsibility hereunder.
12. **Indemnification.** Purchaser, together with all other persons, parties, or entities affiliated with Purchaser, promises and agrees to defend, indemnify, release, discharge, and hold harmless Seller, and Seller's affiliates, associated entities or individuals, heirs, successors, assigns, contractors, subcontractors, agents, representatives, executors, trustees, and insurers of all of the foregoing against Purchaser's actions, omissions, misfeasance,

malfesance, or any transaction or occurrence stemming from the parties' duties and representations set forth in this Agreement, which results in, or forms the basis for, any suits, sums of money, liabilities, debts, damages, accounts, bonds, defects, warranties, covenants, contracts, agreements, controversies, obligations, costs, expenses, liens, judgments, claims, demands, actions, settlements, compromises, or causes of action whatsoever, at law or in equity, on any theory whatsoever, including, but not limited to, Purchaser's breach of this agreement, negligence, personal injury, property damage, patent infringement, or any other alleged violation of local, state, or federal law.

SELLER Estate of Stephen G. Williams

**INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW**

Generally speaking, the Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that before an agreement of sale is signed, the seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS** are involved. The Law defines a number of exceptions where the disclosures do not have to be made:

1. Transfers that are the result of a court order.
2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
3. Transfers from a co-owner to one or more other co-owners.
4. Transfers made to a spouse or direct descendant.
5. Transfers between spouses that result from divorce, legal separation, or property settlement.
6. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of liquidation.
7. Transfer of a property to be demolished or converted to non-residential use.
8. Transfer of unimproved real property.
9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
10. Transfers of new construction that has never been occupied when:
  - a. The buyer has received a one-year warranty covering the construction;
  - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
  - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers who wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and is **not a substitute for any inspections or warranties** that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about the condition of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose a **material defect** that may not be addressed on this form.

A **material defect** is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

**Check yes, no, unknown (unk) or not applicable (N/A) for each question.** Be sure to check N/A when a question does not apply to the property. Check unknown when the question does apply to the property but you are not sure of the answer.

*Note to Buyer: The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local codes establish standards for building and altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval.*  
*Note to Buyer: According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan to determine if the prior addition of impervious or semi-pervious areas, such as walkways, decks, and swimming pools, might affect your ability to make future changes.*
