Saturday, March 21, 2026
9am Personal Property Live Only
12pm Real Estate
12:30pm Farm Equipment & Vehicles

140 W. REYNOLDS DR.
NEW OXFORD, PA 17350

This picturesque property is truly vacation-destination worthy and an opportunity you won't want to miss! Spanning over 78 acres of farmland, woodlands, and open spaces, it features a spectacular all-stone and brick four-bedroom, four-bathroom home, just 20 minutes from historic Gettysburg. The custom home welcomes you with a formal entryway and continues with a formal dining room with a crystal chandelier. The kitchen boasts custom cabinetry by Dovetail Woodworks and a cozy breakfast nook, flowing into a sunroom with outdoor access, a full bathroom, and a family room with built-in bookcases by Dovetail Woodworks and a stone floor to ceiling fireplace. The main level also includes a bedroom currently used as an office & two master suites—each with two closets and a full bathroom, one of which features custom cabinetry from Dovetail Woodworks—plus a screened-in porch & laundry room. Upstairs, you will find a fourth bedroom along with a full bathroom and a large storage area. The full basement is unfinished and features high ceilings, offering the potential to create an additional 2,500 sq. ft. of finished living space. Beautiful oak floors from the property run throughout the main level, while wide-plank pine floors from the barn extend across the second floor, complemented by oak doors and poplar trim, as well as 9-foot ceilings throughout the home, cathedral ceilings in the family room and sunroom, and tray ceilings in one of the master bedrooms and the formal dining room. Outside, the property offers a half-acre pond stocked with bluegill, perch, and bass, with electricity nearby, a spacious two story bank barn, a large three bay pole building with a finished shop section, an outdoor fire pit area w/ storage surrounded by stone pillars and custom railing, and outdoor patio along with diverse wildlife and three deer stands. Currently, 60 acres of farmland are leased, and the woodlands were timbered approximately 15 years ago. Whether you're looking for your next family home, a country retreat, or a private getaway, this property delivers it all!
