8. Zoning. The Property is located in a R-3 Residential Zone, West Hempfield Township, Lancaster County. Seller makes no representations that Seller's present or prior uses of the Property comply with the applicable township zoning ordinances.

9. Seller Default. If Seller is unable to give title as required herein, Purchaser may elect either (a) to take such title as Seller can give, or (b) to require Seller to return to Purchaser all payments including any deposits made to Seller on account of the purchase price, and to reimburse Purchaser for all costs of searching title, appraisals, inspections, and preparation of deed, mortgage and other settlement papers which Purchaser reasonably may have incurred, upon which return and payment all further obligation of this Agreement on both Seller and Purchaser shall terminate.

10. Purchaser Default. In case of non-compliance by Purchaser with this Agreement, Seller, in addition to all other remedies provided by law, shall have the option either (a) to retain Purchaser's down money as liquidated damages regardless of whether or not, or on what terms, the Property is resold, or (b) to resell the Property at public or private sale, with or without notice to the present Purchaser and to retain any advance in price, or hold the present Purchaser liable for any loss, resulting from such resale, meanwhile holding the down money paid hereunder as security for or toward payment of any such loss.

11. No Warranty. Seller makes no warranty as to the condition of the Property as to environmental matters. Seller has not conducted any investigations and has no actual knowledge of any environmental hazards, including but not limited to radon, asbestos, or spills.

spills.

12. Disclosures. Seller's Disclosure Form is attached as **EXHIBIT B** and made a part hereof. Seller's Disclosure Form attached hereto notwithstanding, by execution of this Agreement, Purchaser acknowledges that he/she has had a full and complete opportunity to inspect the Property. Purchaser also waives rights under the law to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning. ***The Property is being sold unto Purchaser "AS IS" with no representation, guarantee, or warranty regarding the condition of the Property or any improvement or structure erected on the Property, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, underground tanks, or any portion thereof.*** Purchaser acknowledges that the auctioneer has not made any specific representations regarding the Property, and that Purchaser has not relied upon any representations or statements of the auctioneer. Purchaser releases the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Property existing on the date of this sale.

13. Radon Disclosure. Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks, it diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, call 1-800-23RADON or (215) 369-3590, Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present, Purchaser waives this right and agrees to accept the Property "AS IS," with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, its shareholders, directors and officers, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Property. Seller has no knowledge concerning the presence or absence of Radon.

14. Right to Reject Bids. Seller reserves the right to reject any or all bids. Seller reserves the right to withdraw the Property from sale, and/or to adjourn the sale to a future date or dates.

15. Assignment. Purchaser may not assign this Agreement, in whole or in part, without first obtaining the written approval of Seller.

16. Intent. This Agreement represents the whole agreement between the parties, and any representations concerning the Property, or otherwise, made prior to the execution of the Purchaser Agreement, are hereby superseded by this Agreement.

17. Amendment. No modification of this Agreement shall be valid unless made in writing, executed with the same degree of formality as this Agreement and the Purchaser Agreement attached hereto.

18. Effect of Waiver or Consent. A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of this Agreement is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of this Agreement, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.

19. Severability. If any provision of this Agreement or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of this Agreement and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

20. Offsite Bidding. Seller shall accept bids from prospective bidders via the telephone and online on the following terms and conditions:

- A. Online bidders must register in advance of the auction and be approved to bid by Hess Auction Group.
- B. Successful bidder (telephone or online) must contact Blakinger Thomas within 24 hours after conclusion of the auction to arrange a time to drop off deposit check and fully executed Conditions of Sale and Seller's Disclosure at Blakinger Thomas, 28 Penn Square, Lancaster, Pennsylvania 17603.
- C. Failure to contact Blakinger Thomas, within 24 hours OR appear at the duly arranged time to submit deposit check and fully-executed documents may, at the election of the seller, render this contract null and void and seller shall be authorized to enter into a contract with any third party.
- D. Prospective bidder accepts all terms herein.

INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

4 The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential
5 real estate transfer must disclose all known **material defects** about the property being sold that are not readily observable. A **material defect**
6 is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or
7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end
8 of its normal useful life is not by itself a material defect.

9 This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist
10 Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see
11 or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement
12 nor the basic disclosure form limits Seller's obligation to disclose a material defect.

13 This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and is **not a substitute for any**
14 **inspections or warranties** that Buyer may wish to obtain. **This Statement is not a warranty of any kind by Seller or a warranty or rep-**
15 **resentation by any listing real estate broker, any selling real estate broker, or their licensees.** Buyer is encouraged to address concerns
16 about the condition of the Property that may not be included in this Statement.

17 **The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers**
18 **are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.**

- 19 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 20 2. Transfers as a result of a court order.
- 21 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default.
- 22 4. Transfers from a co-owner to one or more other co-owners.
- 23 5. Transfers made to a spouse or direct descendant.
- 24 6. Transfers between spouses as a result of divorce, legal separation or property settlement.
- 25 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of
26 liquidation.
- 27 8. Transfers of a property to be demolished or converted to non-residential use.
- 28 9. Transfers of unimproved real property.
- 29 10. Transfers of new construction that has never been occupied and:
 - 30 a. The buyer has received a one-year warranty covering the construction;
 - 31 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model
32 building code; and
 - 33 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

COMMON LAW DUTY TO DISCLOSE

34 Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-
35 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order
36 to avoid fraud, misrepresentation or deceit in the transaction. **This duty continues until the date of settlement.**

EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLOCK

38 According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required
39 to fill out a Seller's Property Disclosure Statement. **The executor, administrator or trustee, must, however, disclose any known**
40 **material defect(s) of the Property.**

175		B			

176 **Note to Buyer:** The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local codes establish standards for building and
177 altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work
178 and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to up-
179 grade or remove changes made by the prior owners. Buyers can have the Property inspected by an expert in codes compliance to determine
180 if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the Property by previous
181 owners without a permit or approval.

182 **Note to Buyer:** According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for
183 drainage control and flood reduction. The municipality where the Property is located may impose restrictions on impervious or semi-per-
184 vious surfaces added to the Property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan
