15. **RADON DISCLOSURE**: Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Protection Radon Division, (717) 783-3594 or 1-800-23RADON. Information can also be found on the DEP website at http://www.dep.pa.gov/Business/RadiationProtection/RadonDivision/Pages/default.aspx. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or Radon progeny is present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

16. **ZONING**: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. The Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Disclosure Act of July 27, 1955, P. L. 288 3, as amended and reenacted (21 P.S. 613).

17. **INCLUSIONS WITH PREMISES**: Included in this sale are all buildings, improvements, rights, privileges, and appurtenances to the Premises, including if any, but not limited to:

Purchaser should inquire after the Premises is struck off concerning the amount of such insurance.

20. **PURCHASER'S DEFAULT**: In case of noncompliance by the Purchaser with any term of these Conditions, the Seller has the option, in addition to all other remedies provided by law or at equity, to exercise any one or more of the following remedies:

(a) To retain the Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the Premises is retained or resold; or
(b) To resell the Premises, at public or private sale, with or without notice to the Purchaser, and hold the Purchaser liable for the actual loss resulting from such resale, including attorneys' fees and costs incurred by Seller as a result of Purchaser's default. Seller may retain the down money paid hereunder as security for payment of such loss.

21. **SUMMARY OF CONDITIONS**: The Purchaser acknowledged that these Conditions of Sale were available for inspection by the Purchaser prior to the commencement of bidding and sale of the Premises, that the Purchaser had an opportunity to review the full Conditions of Sale, and that the Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth herein. 26. **AMENDMENT**: No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and the Purchaser's Agreement attached hereto.

27. **EFFECT OF WAIVER OR CONSENT**: A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.

28. **SEVERABILITY**: If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

IN WITNESS WHEREOF, the Seller has executed these Conditions of Sale, intending to be legally bound hereby, on the day and year first above written.
